### **TWO DAY** **NATIONAL CONFERENCE** (Under the Professional Development Committee of ICAI)

The pursuit of ultimate learning is a transformative journey that empowers individuals to unlock their full potential and make meaningful contributions to Profession & society. By selecting alternative channel to lifelong learning, accommodating diverse learning styles, integrating technology, promoting project-based learning, cultivating a growth mindset, and encouraging interdisciplinary studies, ultimate learning creates a future-ready generation capable of addressing the challenges and opportunities of an ever-evolving world. Selection of alternative channel to this paradigm shift in education is essential for nurturing a brighter, more enlightened and progressive global community.

The National Conference "Shresta" -The Ultimate Learning"- is designed and spread over two days carefully to connect the members to enrich the Knowledge and to be enraptured by the presence of Honourable President, Vice President of ICAI, honourable guests, Central Council Members and members in profession from across the country.

The happening city of destiny has a host of tourist attractions and opportunities for indulgence for the members after the sessions. The Delegates will return with rejuvenated spirit of the knowledge acquired, absorbed and to be utilised in execution and discharging of duties and fond memories of the beautiful city.
